Funding Approved for Juvenile Diabetes Foundation Fundraiser

SAN BERNARDINO – On Tuesday, the Board of Supervisors approved allocations to support an upcoming fundraising event for the Juvenile Diabetes Research Foundation Inland Empire Chapter.

The 2008 Dream Gala “The Magic of a Cure” will be held on Saturday, March 15 at the Eagle Glen Golf Resort in Corona. San Bernardino County will receive special recognition at the event for being a long-time supporter of the organization, which is the foremost nonprofit, nongovernmental agency providing funding for juvenile diabetes research worldwide.

“Over the past decade, the County and its employees have helped raise hundreds of thousands of dollars to support the Foundation’s mission of finding a cure for a devastating, life-changing illness that affects so many young lives,” Board of Supervisors Chairman Paul Biane said.

Biane joined Vice-Chairman Gary Ovitt and Fifth District Supervisor Josie Gonzales in recommending a total County contribution of \$10,000 to support the 2008 Dream Gala. The gala is one of the organization’s largest annual fundraising events.
